What is Lent? is our journey towards Easter. It begins on Ash Wednesday and ends on Holy Thursday. Why Forty Days? Forty is an important number in the Jewish/Christian scriptures. Using your Bible, read the following stories from the Old and New Testaments.

- Jesus, as we know, fasted for forty days and nights in the desert before he began his important work of spreading the good news. Read Mt 4: 1-2
- Moses fasted and prayed for forty days while he was on Mt Sinai where he received the Twelve Commandments . Read Exodus 34:28
- When Moses led the Israelites out of Egypt , they spent forty days and nights in the desert before they reached the Promised Land. Read Exodus 14
- In Genesis, the flood was caused by forty days and forty nights of rain. Read Genesis 7-8
